General Comments:	Thank you and your cooperating teacher for inviting me in to your classroom. Your professional demeanor and appearance was very impressive, including the "nod" to St. Patrick's Day. Your rapport with the students and your cooperating teacher was very evident. The lesson was organized and smoothly delivered. Your mastery of the technology was also impressive. You seemed very comfortable as you moved among the students as they worked on their assignments. I have every confidence that you are ready to assume a student teaching position.
